

Rogers Historical Museum

Field Trip Guide

Welcome to the Rogers Historical Museum!

The Rogers Historical Museum is a fun and exciting place to take a field trip. The museum is full of historical objects from our area's past, everything from an early 1900s wagon to a concrete chair from Monte Ne. Every item tells a story about the individuals that made Rogers and Northwest Arkansas what it is today.

While visiting, you and your students will be immersed in history through lessons, hands-on objects, fun activities, and tours of the galleries.

This Field Trip Guide will help you prepare for your visit and ensure that you and your students have a quality experience.

About Us

Rogers Historical Museum Mission

Our mission is to enrich lives through education, experience, and exploration of our heritage. We fulfill that mission through:

- *Collecting and preserving artifacts, archival materials, and research materials which document the history and cultural heritage of Rogers and Benton County
- *Offering exhibitions, programs, publications, and web-based resources which foster an application of our region's heritage and enable area residents to create a better future for themselves, their families, and their communities
- *Offering family-friendly exhibitions and programs which allow people of all ages to engage the past, imagine the future, and find joy in learning
- *Offering loan exhibitions and related programs which broaden the cultural horizons of area residents and help place our region's natural and cultural heritage in a broader context.

The Rogers Historical Museum is a department of the City of Rogers and is supported by two non-profit organizations: The Rogers Museum Foundation and the Friends of the Rogers Historical Museum. It is also governed by a five member commission that is appointed by the mayor and approved by city council.

Restrooms and Handicap Accessibility

Museum Main Campus

All of our museum buildings have been upgraded with restroom facilities that include handicap accessible rooms to accommodate larger field trips and other public events. The buildings are American and Disability Act compliant with ramps, door push buttons, wider entry points, and multiple emergency exits.

Rocky Branch One-Room Schoolhouse

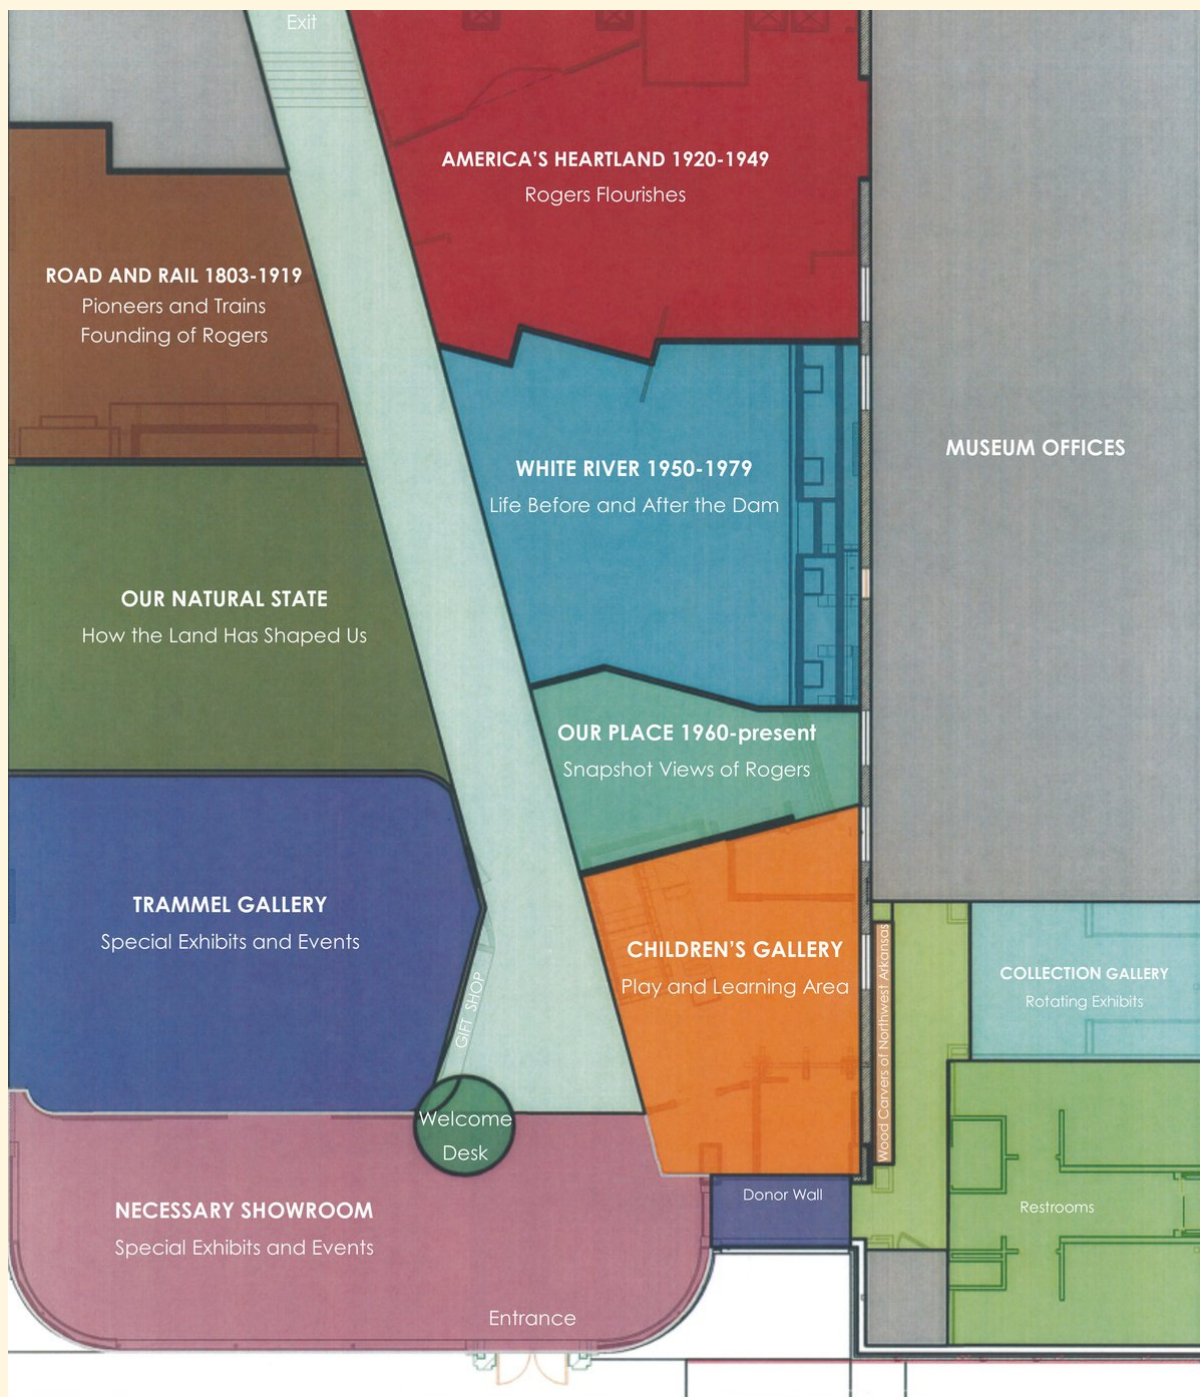

The historic Rocky Branch One-Room Schoolhouse is on the National Register of Historic Places and has **no wheelchair accessibility**. However, every possible means will be undertaken to accommodate all visitors inside the schoolhouse. Please contact us so accommodations can be worked out in advance of your visit so we can make this fun and enjoyable for everyone.

Gallery Map

Below you will find the map of the galleries located at the Hailey Building, the main museum building.

Preparing for Your Visit

Field trip programs can vary based on the amount of students, time of arrival, time of departure, or other requirements set-up by the contact person making the booking. Typically, all field trip programs begin at 9am and last 3 hours, with the exception of the Rocky Branch One Room Schoolhouse program, which lasts 4.5 hours.

Any available museum program will be canceled due to the safety of students, teachers, volunteers, and museum staff due to the following conditions:

- *Rain, snow, ice, wind, lightning, extreme temperatures, or any other weather condition that's ongoing, predicted, has an issued warning, or is a detriment to the safety of the visitors and staff.
- *Construction areas of downtown businesses, streets, utilities, parks, or other obstructed paths that make the safety of the program impossible to maintain.

Please **reserve your field trip at least two weeks in advance** as all of our programs are popular and spots fill up fast.

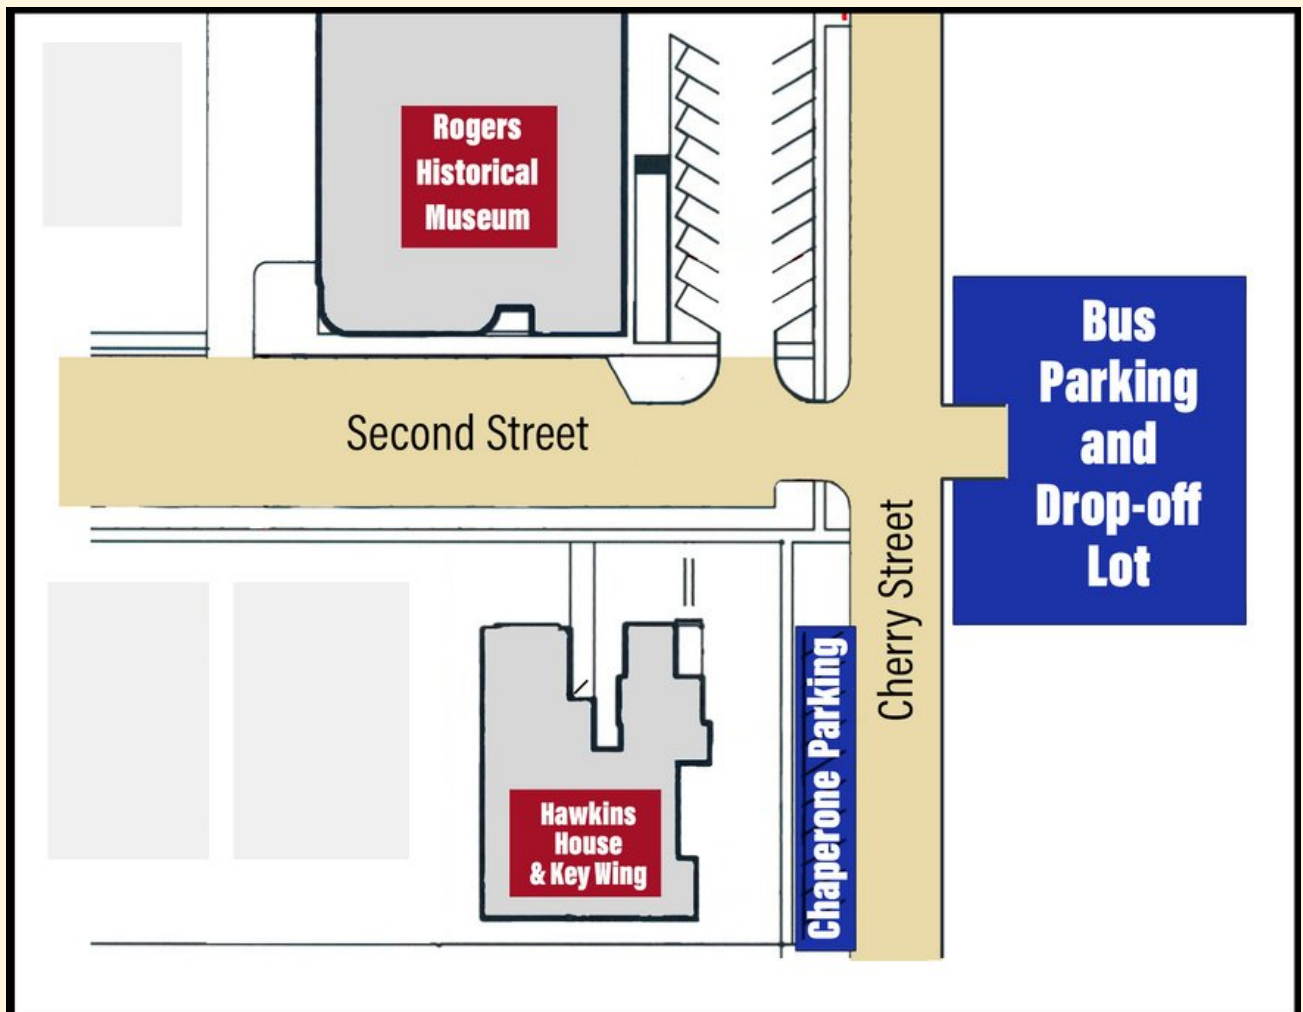

Please arrive 10-15 minutes early to allow for time to unload the students from the buses and to get them settled in for the program.
See the following map for bus drop off location.

If you need to **cancel**, please do so at least one week before your scheduled visit.

Bus Drop Off and Parking Map

Buses will need to unload/load and park at the municipal lot on 2nd & Cherry streets. **Buses are not permitted to unload/load and park on the street in front of the museum.** Chaperones can park in the parking spots on Cherry Street. If those are full, they can also use the museum parking lot located next to the museum on 2nd Street.

Field Trip Expectations

To ensure a quality visit and experience at the Rogers Historical Museum, please follow the listed guidelines:

- 1) The historic Hawkins House allows for a maximum of 10 visitors and is a **no touch** area.
- 2) Please provide **1** chaperone for every **10** students per class.
- 3) Multiple class groups on guided tours of the galleries will need to be divided to allow enough space for the students to explore and learn from the panels, interactives, and artifacts. Please do not move your group or allow the students to move on their own to another exhibit area or switch groups. A staff member will keep track of the rotation time and schedule in the exhibits.
- 4) Please keep voices at a gentle conversation level.
- 5) Galleries may include interactives that provide visitors with hands-on learning experiences. Please use them gently and for the purpose they were intended. Students who use them in other ways will not be allowed to touch anymore objects and interactives in the museum.
- 6) The historic Rocky Branch One Room Schoolhouse allows for a maximum of **54 students** per field trip in accordance with the fire code. If you have more students than that, field trips will need to be split into multiple days.
- 7) The Key Wing and Hailey buildings allow for a maximum of **100 students** per field trip. If you have more students than that, field trips will need to be split into multiple days.
